Arrival Instructions

Within 5nm of the Marigot Bay Marina, please give us a call on VHF channel 12. Our Marina Dock Attendants would be on stand-by to escort you in to the inner harbor and on to the marina. Our Berths are Stern to and alongside and serviced with electricity (3 Phase, 410V, 50 Hz, 2 x 125 / 200 Amp Single Phase 110/220V 50 Hz and 50 or 100 Amp).

Marigot Bay Harbor is a no wake zone. Boaters and seafarers are required to remain within 4 knots when inside the inner bay.

Please contact marina office for any further information relating to Berthing or the use of our Mooring buoys.

Marigot Bay Marina is classified as an international port entry and houses the sea port authority as well as customs and immigration clearance for the island of Saint Lucia at our Marina Office. Yachts not arriving from international waters may stay for 72 hours without clearing customs and immigration. We also have telephone, fax, and internet services available for visitors to use, as well as FedEx delivery services, and wire transfer provisions.

The Marina and the Marigot Bay Resort are one property, which means that guests of the marina are also guests of the Resort. This means that you have access to the opened facilities in the Resort including the swimming pools and other 5-star amenities of the resort.

It is part of our philosophy to make the stay of arriving yachts as enjoyable and seamless as possible. To that end, we take care of all particular requirements in advance for your convenience. These would include Yacht Service requirements, spare parts transfers, provisioning and Guest Service requirements including Reservations, Transfers, Tours, fuel, etc. The Marina Personal Assistant is always on standby upon your arrival to make arrangements for any necessities and preferences that you would need to make your visit truly enjoyable with us.

Please email me with the waybill/tracking number so that we can minimize the delay post-delivery to SLU. Broker charge is a fixed fee of EC\$250 (US\$93) per shipment to clear customs and deliver the package(s) to Marigot. This arrangement usually provides us with delivery to Marigot within 48 hours of the package landing in Saint Lucia. For the sake of your budgets minimize the number of shipments. Please ensure that all goods are accompanied by a commercial invoice. There is not usually any charge for the on-island delivery of non-dutiable items such as letters, crew mail, etc.

We would be delighted to have you at the beautiful Marigot Bay Yacht Haven. The ultimate yachting gem of the Caribbean.
